Six Local High School Students Awarded Hudson Valley Gateway Chamber of Commerce Scholarships

Six local high school students were awarded \$1,000 scholarships from the Hudson Valley Gateway Chamber of Commerce this year. The 2019 recipients graduated from Croton-Harmon, Hendrick Hudson, Lakeland, Peekskill, Putnam Valley, and Walter Panas High School and were presented with their awards at the Chamber's June breakfast held at the the Factoria in Peekskill.

"Each of our six scholar recipients is a gifted and talented student with a stunning list of accomplishments and extremely bright futures. The members of the chamber congratulate our 2019 winners and wish them the best of luck in furthering their educations. We can't wait to see what they accomplish!" said Hudson Valley Gateway Chamber of Commerce President Deb Milone.

The scholarships are funded from the generosity local businesses from the chamber's annual Tommy Bertoline Scholarship Golf Outing, held annually in September.

Scholarship recipients are chosen on the basis of academics, leadership skills, extracurricular activities, community volunteering, awards or merits, and work experience. Recipients are determined by the chamber scholarship committee on a non-discriminatory basis. Members of the committee include: Ann Brady, Civic Member, Janice Molloy, Peekskill Education Foundation, Eric Mantell WCC Peekskill, and Maureen Whelan, Whelan Financial Planning. Tech Center Graduates 450 in Class of 2019

Future engineers, nurses, fashion designers, chefs, graphic artists, builders, environmental scientists, physicians and physical therapists graduated Tuesday from the Career and Technical Education Center at Putnam Northern Westchester BOCES in Yorktown.

In all, 450 students from 18 local school districts graduated from more than 40 programs of study including Advertising Art & Design, Animation and Motion Graphics, Baking and Pastry Arts, Automotive Repair, Law Enforcement, Sports Medicine, Cosmetology, Culinary Arts and Construction Electricity, to name a few.

"We're here to celebrate the accomplishments and outstanding work of the students of the Career and Technical Education Center," said District Superintendent Dr. James Ryan. "I am fully confident that you are well prepared. It has been our distinct pleasure to work with all of you."

Mahopac's Stephanie Felizardo, Tech Valedictorian and a graduate of the Child Development and Education program, said, "Without my experience at the Tech Center, I don't know where I would be. We will be not one, but two steps, ahead of all of our peers in the workforce and college thanks to what we

path."

Other students who participated in the ceremony included Troy Bates, a Law Enforcement graduate who led the pledge of allegiance; Matt Holic, who sang the National Anthem; and Jalissa Pugh and Grace Claffey, Cosmetology graduates who read the closing poem.

Finally, Career Academy Principal

Stephen Lowery encouraged students "to persevere when life hands them setbacks because that is the only way to succeed."
